

## Family Care Office Peer Mentor Application

Goal: to share their tips and advice with other students with family responsibilities in navigating the university and in better integrating their studies and family life.

### Roles and Responsibilities:

- Mentors commit to attending a training session before the fall term starts on a date to be determined, one-on-one interactions with their mentees, and social events for a total commitment of 10 hours from September to March as detailed below. There could be occasional mentor matches in the spring/summer terms if the student parent mentor so desires. Mentors will always be asked whether or not they are available to take each mentee.

Student parent mentors will:

- Commit about 2 hours to mentoring student parents from September to March (in person, by email, phone, messaging or Skype), with the possibility of extending this commitment if you agree, and let the Coordinator know about possible periods when you will not be available during the year.
- Commit to approximately ten hours for events and training as outlined below:
  - A 2.5 hour training session before the fall term begins.
  - The Family Care Office Orientation for Students with Family Responsibilities and their families on Saturday September 15, childcare provided (about 4 hours).
  - One social at the end of September/beginning of October and another event in January (two hours each).
